

"Don't Touch My Hair" Lyrics Solange

Don't touch my hair When it's the feelings I wear Don't touch my soul When it's the rhythm I know Don't touch my crown They say the vision I've found Don't touch what's there When it's the feelings I wear They don't understand What it means to me Where we chose to go Where we've been to know They don't understand What it means to me Where we chose to go Where we've been to know You know this hair is mine Rolled the rod, I gave it time But this here is mine You know this hair is mine Rolled the rod, I gave it time But this here is mine What you say, oh? What you say to me? Don't touch my pride They say the glory's all mine

Don't test my mouth They say the truth is my sound They don't understand What it means to me Where we chose to go Where we've been to know They don't understand What it means to me Where we chose to go Where we've been to know You know this hair is mine Rolled the rod, I gave it time But this here is mine You know this hair is mine Rolled the rod, I gave it time But this here is mine (mine) What you say, oh? What you say to me? What you say to me? What you say to me? (To me) What you say to me? (To me) What you say to me? (To me) What you say to me? (yeah) What you say to me?
