Select the quote that most aligns with your viewpoint.

QUOTE 1

"Elected officials make decisions about things we care about—like whether our school gets more funding or if social media is regulated. Voting can help ensure that those decisions benefit us."

QUOTE 2

"No matter who's in office, it feels like nothing changes for people like us. Politicians don't really know what we need."

QUOTE 3

"Voting can make a difference on some issues, like local policies, but it's only part of the picture when it comes to what impacts our lives."
