

TIPS TO CONNECT WITH YOUR GUIDANCE COUNSELOR

1

Who is your guidance counselor, and what do you know about them?

Tip: Find out your counselor's name and where their office is and build a connection.

2

Why is your guidance counselor important to your school experience?

Tip: Remember, counselors are there to support your academic, personal, and career goals. They can be an advocate for you when you need it.

3

What did you learn about a guidance counselor's role after watching the video?

Tip: Guidance counselors can help with more than just schedules—they're also there to listen, help with challenges, and connect you with resources.

4

How can you build a strong relationship with your guidance counselor?

Tip: Set up a time to meet, even if you don't need help right now. Share your goals or ask a question about school—this helps your counselor get to know you better.
